

Prayers of the Faithful – 14th Sunday OT 5th July 2020

Priest: The Lord is kind and full of compassion, so we bring our prayers to him with confidence.

Reader:

That we may learn to trust in God's gentle support in our lives. **Lord, hear us.**

That all who are overburdened may find rest. **Lord, hear us.**

That families may be filled with love and respect for one another. **Lord, hear us.**

That people worried about illness and infection may be given comfort and hope. **Lord, hear us.**

That those sick in hospitals, care homes and their own homes may be healed. We remember today Pasqua Faccenda and all who are ill. **Lord, hear us.**

For all who have died especially Islay McNicol and David MacEachen who have died recently and Gillian Willan whose anniversary occurs at this time. That they may be raised to eternal life with Christ. **Lord, hear us.**

Priest:

God of compassion and faithfulness, you raise up all who are bowed down: hear the prayer we make to you this day, through Jesus Christ our Lord. Amen.
